In these piping times of peace that people care to waste it.

When one reflects how many hours of labor, how many sacrifices and denials are or closed within the disc of that shinning bit of precious metal we call "a dolisr," what wonder people besitate to part with it except for value receive I!

If the testimony of the throngs or people who were with us during the past had with ghosts," said he to an Indianapolis News reporter. "Now, I

All the people are wiser than some of the people. To say that the people can be deceived continually is to insult their intelligence. No business can be successful without the cordial co-operation of its customers-no co-operation can be successful without confidence. That we have this n so large a measure shows that we have carefully nurtured this "plant of slow growth" until it's big enough to give shade to all. Our methods of forcing growth are with

MEXICAN CHOSTS.

The Mysterious Experience of a United States Sailor.

A. L. Chatfield, of the Indianapolis Drug Company, was in the United States Navy several years, and cruised

"The experience that left the most do not believe in ghosts for one min ute, but the experience I had is one I am not able to explain away. There is hardly a day of my life that I do not think of it. We stopped at a Mexican port and hadn't been there very long before we learned that the natives were very much excited over a haunted house that stood off by itself in a loney part of the town.

All the brave men in the place had risited the house to hear the ghosts, and the experience was such that no second time. The second mate of our commence on the foundation for an edship and I decided to investigate the ghosts. We firmly believed that some 4e Handsome simbroidered Baby 13c Splendid quality Garter Web 3c one in the place was slipping into the ouse and making the strange noises that were reported as being heard. The mate was a man who did not know fear, and we agreed that we would go

prepared to kill the first ghost that de its appearance. "We prepared for the expedition by eaning and loading four good revolv ers and by providing a dark lantern. In the afternoon we went to the house and examined it carefully for secret entrances. Every foot of floor and wall was examined, and we saw that the doors were all securely bolted on bet. the inside, except the one to which we had a key. Soon after dark we went to the house and made a second examination, and found it as we had

as death. 'The mate held the dark lantern, revolvers in our hands. After we had seen there perhaps a half an hour we heard a noise like one makes in slightly sulling a chair nearer the table. A moment later the chair in the room which we were facing seemed to be pick d up and set down again. Then re heard footsteps, and pretty soon he room resounded with noises. The cent farniture, it seemed, was being thrown pell mell, and the racket bo

"Now is our time,' said the mate in a whisper. At that he turned on the dark-lantera and sprang into the room. The moment we entered it the noises ceased and it was vacant. More than that the furniture stood just as we had left it. We examined the exam , and no opening was there. Before we had finished our examination oises began upstairs, and in other oo as. A do on then with heavy boots

room . but could see nothing. Whonever we would enter a room the noises would seem to be in the next and you stop termenting him this natter, except in that one room. To make the story short we remained in the house until daylight, and the noises continued all night. We c... need from one room to another until we were almost completely exhausted, and not once did we catch sight of any living object. We couldn't have been mistaken in the noises. It couldn't have been imagination, for neither of us was excited or frightened. Those noises were made in the house, but what by is the greatest mystery of my

DOMESTIC DISCIPLINE.

How a Washington Husband Gave his Wife a Lesson. A certain woman of fashion con

spicuous in Washington society, whose infirmity of temper has given rise to very interesting gossip occasionally, says the Phila. Press, figures in a quaint little story.

ance, when it chanced that there was placed upon the table a small pot of chocolate. The hostess of the occaquestion, partaking of it every evening of her life. Unfortunately, the servant had neglected to make more than the usual quantity, which was just | about sufficient for a single cup. Accordingly, when the guest was asked If she would have some, she hesitated a moment and said no. Whereupon

ed to take no notice, merely glancing

remark. have some chicken saind, of which a big dishful made the principal feature eyes, spring up at that point with the equipment. among the viands. "I thank you, no," she replied.

nerely because she had a preference for something else. Immediately, as if it were a matter of course, the host picked up the salad and threw it dish and all, out through the window into the garden.

'It's a way we have here." he remarked calmiy.

Nobody said anything for quite five minutes afterward, but the ex-treme amiability exhibited by the

domestic usofulness. It has been just a month since the Lafayette Band boys received their in-struments ready for practice and they that she had been habitually hypnocan now play several pieces of mu tized, and upon investigation it was sic with the ease and grace of old discovered that she had robbed under musicians. They have secured the the suggestion of out-side parties. sarvices of Prof. R. W. McCrocker, of Logan county, as teacher and he will give instructions for twelve months. The band consists of 16 members, all gentleman of high standing in the sends a number of students to the ize an orchestra in the near future.

A POOR TEACHER.

ism Will Delight You.

Jonathan Briggs is the father of a right little boy, live years of age, and he unturally takes a great deal of pride in the child and has a deep affect ion for the little fellow, About week ago the idea got into Briggs one could be induced to go back the head that it was time for the child to

> "Marla," said Briggs to his wife "Does little Henri know his letters!" bids. Sales of the crap of 1893 of "What letters do you mean!" asked our market to this diffe and mid. "The alphabet-does he know the

alphabet? Can he say the letters a. b. c. d. and so on, like I could when I was "No, of course he doesn't know the alphabet; he's never been taught it. the little dear.

·I am surprised my dear, that his education has been neglected. I shall commonce at once this evening, where I come home, to teach him the alpha-

That evening, after tea. Briggs called the child to him. "Now, Henri, papa's going to teach you the alphabet, so that you can learn left it in the afternoon. We then took our seats in the front room, with our book, and all these are the letters of faces toward an open door leading into the alphabet. This is A." pointing to

another room. The house was quiet each one, and this is B, and this is C and this is D. Now, remember the with the slide on and we each held the balance of the letters and returned "Now what is that?"

Henri looked at it a moment, do blously. "What! Don't know?" "Well, I declare! It isn't five minutes since I told you that was A. Now

what is the next one?" "Don't know." "What! forgotten that, too? Bon' you know what this is, nor that?"

"If that don't bent all! Here I've just told the child what these letters ten to Co. Embry's narra ives. He is are, and he doesn't know one of them." "My dear, did you expect him to learn the alphabet in five minutes?" "Well, no, not exactly; but I expect that have been off-cool by the Keeley doors and windows, and they were as him to remem'er what I tell him. I ture, hierard d. Ky . Register we hall t them. The floor, too, was begin to fear that the child has no memory. Now, sir, I shall tell you what each of these letters are, and I

expect you to remember their names. seemed to be running up and down the seemed to be running up and down the and again pointed to A. "Now, sir, stairw y. With our dark-lantern we what letter is that?" "I don't ku sw. Boo-hoo-oo." "See here, Jonathan Briggs," cried then to hay extend to said no felt his wife. "you've made the child cry. sick, broner Janes and a binous tem

"Mrs. Briggs. I propose to teach this child the alphabet, if he is capable were Burner Jones and his soul, of learning it, and I do not want you there is war between him and his liver. Brother Jones felt bad at bed-Henri wept.

You shall do nothing of the kind, time, and Brother Owers told him; you big brute! Let me have that "Go to God with it. brother; He'll child

"Mrs. Briggs!" "Mr. Briggs!" Henri wept.

"You give me that child this in. folk wed the advice of Owens and the stant, Jonathan Briggs! and I shall at reporter, and as a result when he got once go home to my mother, and per-haps my father will have something to say to you, sir, about treating his much refreshed. He said; daughter so!" ·Hang your father! Take the admit that the pills did much good,

oungun, he's just like your folks. and from now on my prescription for anyhow," and Mr. Briggs relinquished the now screaming child put on his blintsness will be one prayer and hat and went out, slamming the door (bree pits before bedtime so hard that it woke up a policeman In about half an hour Briggs cools A short time ago she was entertain-ing at supper a lady of her acquaint-a feel of himself, so he sneaked back home. His wife and child both be traces of weeping, and his wife refuse to notice him. A very humble apolog sion is very fond of the beverage in and a promise of a cloak settled with her, and some candy won back the child.

Henri now attends a select school where for five dollars per term a sadeyed girl is teaching him the alphabet.

The Devil's Table. Many readers of "Notes for the position of messenger and tracing her entertal or flushed with anger at Curious" have heard learned friends clerk in the department. He was emthe controlomps, and, rising from her or travelers allude to the Teufelstisch plotest in the custom house under seat, deliberately poured the contents and the Glass Palace without the least Cleveland's former administration and of the chocolate pot out of the window. | idea of the interesting objects referred Livery, Feed And Sale of the chocolate pot out of the window. Idea of the interesting objects referred was fired when Earthon came into entertained, to say the least of it will say that the Teufelstisch is the pow r. as the Louisville Republicans Of course, however, she pretend name given a large, flat rock lying think like the Republican Banner of near Graefenberg, Bavaria. Trans- this city, that "Democratic piggers" siyly at her host, who made the third lated into English the meaning of the person at the repust, to see if he word is Devil's Table. Regularly at ought to be 'dead niggers' and that evinced any consciousness respecting midnight on the night of May 1, the an office is 'no place for a nigger no KENTUCKY evinced any consciousness respecting mining to the ancient kings of France how." beneath his mustache and made no used to assemble around the Teufelstisch and hold a fantastic banquet. Presently he asked her if she would Later on some folk-lore writers claim Davil's Table in the center. From midnight until daylight on the date fulfilled its purpose with grace and mentioned above, Gambriaus, the is ventor of beer, sported around the big from genera ion to generation. The flat rock with others of the shadows grew. - St. Louis Republican.

"Can a hypnotized person be made to commit a crime?" was very empha thetically answered in the affirmative by Dr. olsin, of Paris, in a paper to with tiggres and characters elequent livered before the British Association hostess for the rest of the evening, led He suggested to a subject under his the visitor to imagine that the lesson influence to commit acts of incendiar-thus given was not without a certain ism while hypnotically asleep, and are very few of the genuine old-fashthere was obedience in each case More than that, a woman was reconttized, and upon investigation it was
